College of the Holy Cross, "College of the Holy Cross Campus Arboretum" (1988). *College of the Holy Cross Campus Arboretum*. Book 1.
http://crossworks.holycross.edu/campus_arboretum/1

This Book is brought to you for free and open access by the Physical Plant at CrossWorks. It has been accepted for inclusion in College of the Holy Cross Campus Arboretum by an authorized administrator of CrossWorks.

A scenic photograph of the College of the Holy Cross campus. In the background, a large brick building with a prominent clock tower and a conical roof is visible. The foreground is filled with lush greenery, including a large tree on the left, a grassy lawn, and vibrant pink and red flowering bushes. The sky is blue with scattered white clouds.

College of the Holy Cross
CAMPUS ARBORETUM

The College of the Holy Cross is the oldest Catholic college in New England. It owes its existence to the second bishop of Boston, Benedict Joseph Fenwick, who founded the College in 1843 and gave it the name of his Cathedral.

From the start, the bishop entrusted the direction of the College to the Fathers of the Society of Jesus (Jesuits). The beginnings were very modest: one wooden building, a half-finished brick structure and 52 acres of land. Today the College is a large educational complex, complete with chapel, library, laboratories and classrooms, residence halls, football stadium, hockey rink, and campus activity center, spread over 165 sloping acres.

Recognition of the College's beautiful landscape has come from many sources. In 1977, the College was cited for having the best maintained school or university grounds in the United States in an award competition co-sponsored by the Professional Grounds Management Society and Grounds Maintenance Magazine. Today, there are over 115 varieties of trees and shrubs on the Holy Cross campus. Its grounds annually attract numerous visitors from central Massachusetts and neighboring states.

This booklet is designed to acquaint visitors with some of the principal features of the newly established Campus Arboretum, made possible through a grant from the Stanley Smith Horticultural Trust of Dunbar, Scotland.

The planting of commemorative trees, as well as trees for shade and beauty, has long been a tradition at Holy Cross. To mention just a few, there is the "Teddy Roosevelt Elm Tree," planted in June of 1905 by Theodore Roosevelt, then President of the United States. The President had come to Holy Cross to address the graduating class and planted the elm tree at the dedicatory exercises of Fitton Field.

Gilbert K. Chesterton, the noted English writer, visited Holy Cross during one of his American lecture tours. To commemorate this visit he planted a cedar tree, amidst much ceremony, during the winter of 1930.

There is an interesting cluster of trees directly in front of Beaven Hall. Here it was a tradition for each graduating class to celebrate a private Arbor Day. Each year a sapling, to which was attached a metal ring designating the class, joined its fellows in this important family.

From 1945 to 1968, three Jesuit priests, Rev. William J. Casey, S. J., Rev. John H. Hutchinson, S. J., and Rev. Thomas A. Shanahan, S. J., took three hillside areas and planted literally thousands of evergreens, birches and flowering crab trees.

ARBORETUM INFORMATION

The Campus Arboretum is open to visitors daily from 9:00 A.M. to 5:00 P.M. throughout the year. Reservations for group tours should be made a week in advance by contacting the Superintendent of Grounds.

PARKING

Visitors' parking areas are clearly indicated on the map in this booklet-in section #1, the Carlin parking area off Linden Lane, and in Section #3, the Hogan Campus Center parking area from gate #7 off College Street. It is suggested that you lock your vehicle as the College will not be responsible for missing or stolen articles. There is no charge for visitors' parking.

FOOD AND REST ROOMS

A cafeteria and rest room facilities are located in the Hogan Campus Center.

LINDEN LANE TREE RENOVATION

Most of the plantings throughout the campus are New England traditional in design. There are over 2,000 trees on the campus and over 115 varieties of trees and shrubs.

We do our own landscape designing of new projects and renovations. Our most recent project was the renovation of Linden Lane, the main entrance to the College campus. Linden Lane is divided by a median strip. The trees along the strip had been in decline since 1922, when major excavations began to take place around them. Originally, fifteen trees grew alongside a cinder walk which was then replaced by a cement walk. To accomplish this change a trench had to be cut, removing soil and roots from the north side of these trees. Gravel was laid down and compacted, and the trench was covered with a nine-inch layer of cement. In 1933 Linden Lane was paved with black top requiring more excavation and resulting in more damage to roots and loss of soil on the south side of the trees. In 1958 a parallel road was put in, creating the median strip and putting the trees under more stress.

Measures were taken during these years to save the trees, but pruning, fertilizing, cabling and spraying were of no avail; the trees continued to decline. By 1981 only six dead or dying trees remained. It was decided to replace them and at the same time to improve the appearance of the College's main entrance.

To accomplish this beautification project and to assure the future of the new trees, the following steps were taken:

1. Removal and replacement of the dead or dying trees.
2. Removal of the center sidewalk for the entire length of the Lane, creating an improved root environment.
3. Grinding down of tree stumps.
4. Moving street lights to center of strip (providing a better landscape lighting effect).
5. Installation of granite curbing.
6. Planting of 22 Skyline Locusts-2½" to 3" caliper.
7. Installation of a Sprinkler System the entire length of the Lane.
8. Sodding of the entire median strip.
9. Limited and careful use of de-icing salt.
10. Injection of trees with gypsum to counteract any possible salt damage.
11. Plowing of snow from the center lane-out.

In this day of man-made environmental hazards, I believe it is essential to maintain an environmental awareness to control the use of materials such as de-icing salt and follow landscaping procedures that will allow us to benefit from modern technology without harming nature.

This entire project—with the exception of the granite curbing and tree removal—was accomplished by the Holy Cross College Physical Plant.

Commemorative Trees

Tree
Number

Description

RED

298

Quinsigamond Community College Tree
Moraine Locust (*Gleditsia triacanthos inermis*)
Dedicated on Oct. 14, 1965. Planted by QCC faculty and students to show their appreciation to Holy Cross College.
*Original Birch tree died and was replaced with Moraine Locust in 1982.
Location: South side of Loyola by Chapel entrance.

RED

324

Shanahan Tree
Flowering Crabapple (*Malus hopa*)
Dedicated in 1964 in memory of Fr. Thomas Shanahan S.J. who was a recipient of the Bronze Star Medal and Chaplain to Gen. McArthur during WWII.
Location: Northeast slope of Loyola Hall

RED

401

Professor Roffman Tree
Flowering Crabapple (*Malus cv. Bob White*)
Planted by the Math dept. of Holy Cross in honor of Prof. Roffman. Dedicated on July 12, 1973.
Location: North Slope in Quadrangle. Middle of banking on right hand side of Stairway from Quad. to North Fenwick area.

TREE SPECIES

LATIN	COMMON	ORIGIN
1 <i>Abies balsamea</i>	Balsam Fir	N. America
2 <i>Abies concolor</i>	White Fir	N. America
3 <i>Acer campestre</i>	Hedge Maple	Europe & W. Asia
4 <i>Acer ginnala</i>	Amur Maple	N. E. Asia
5 <i>Acer palmatum</i>	Japanese Maple	Japan-Korea
6 <i>Acer platanoides</i>	Norway Maple	Europe
7 <i>Acer platanoides</i> cu <i>Crimson King</i>	Crimson King Maple	Europe
8 <i>Acer platanoides</i> cu <i>Shwedleri</i>	Schwedler Maple	Europe
9 <i>Acer rubrum</i>	Red Maple	N. America
10 <i>Acer saccharum</i>	Sugar Maple	N. America
11 <i>Aesculus hippocastanum</i>	Horse Chestnut	W. Asia-E. Europe
12 <i>Ailanthus altissima</i>	Ailanthus	China
13 <i>Albizia julibrissin</i>	Mimosa Tree	Persia-China
14 <i>Amelanchier canadensis</i>	Downy Shadblow Serviceberry	N. America
15 <i>Betula papyrifera</i>	Paper Birch	N. America
16 <i>Betula pendula</i>	European White Birch	Europe
17 <i>Betula pendula</i> cu <i>Gracilis</i>	European Weeping Cut-leaf Birch	Europe
18 <i>Betula populifolia</i>	Gray Birch	N. America
19 <i>Catalpa bignonioides</i>	Catalpa	N. America
20 <i>Cercidiphyllum japonicum</i>	Katsura Tree	Asia
21 <i>Cornus florida</i>	Flowering Dogwood	N. America
22 <i>Cornus kousa</i>	Kousa Dogwood	Asia
23 <i>Crataegus phaenopyrum</i>	Hawthorne	N. America
24 <i>Euonymus europaeus</i> cu <i>Atropurpureus</i>	Winterberry Euonymous	Eurasia
25 <i>Evodia danielli</i>	Liberty Tree	China-Korea
26 <i>Fagus grandifolia</i>	American Beech	N. America
27 <i>Fagus sylvatica</i> cu <i>Atropunicea</i>	Purple European Beech	Europe
28 <i>Fraxinus americana</i>	White Ash	N. America
29 <i>Ginkgo biloba</i>	Ginkgo	China
30 <i>Gleditsia triacanthos inermis</i>	Moraine Locust	N. America
31 <i>Laburnum x watereri</i>	Golden-Chain Tree	Europe
32 <i>Larix decidua</i>	European Larch	Europe
33 <i>Larix laricina</i>	American Larch	N. America
34 <i>Liquidambar styraciflua</i>	Sweetgum	N. America
35 <i>Magnolia acuminata</i>	Cucumber Magnolia	N. America
36 <i>Magnolia virginiana</i>	Sweet Bay Magnolia	N. America
37 <i>Magnolia x soulangiana</i>	Saucer Magnolia	China
38 <i>Malus atrosanguinea</i>	Carmine Crabapple	Japan
39 <i>Malus baccata</i>	Siberian Crabapple	Japan
40 <i>Malus</i> cu <i>Bob White</i>	Bob White Crabapple	Japan
41 <i>Malus hopa</i>	Hopa Crabapple	Japan
42 <i>Malus</i> cu <i>Radiant</i>	Radiant Crabapple	Japan
43 <i>Malus pumila</i>	Common Apple	Europe
44 <i>Morus alba</i> cu <i>Pendula</i>	Weeping Mulberry	China
45 <i>Paulownia tomentosa</i>	Empress Tree	China
46 <i>Picea abies</i>	Norway Spruce	Europe
47 <i>Picea glauca</i>	White Spruce	N. America
48 <i>Picea pungens</i>	Blue Spruce	N. America
49 <i>Pinus mugo</i>	Swiss Mountain Pine	Europe
50 <i>Pinus resinosa</i>	Red Pine	N. America
51 <i>Pinus strobus</i>	Eastern White Pine	N. America
52 <i>Pinus strobus</i> cu <i>Pendula</i>	Weeping Japanese White Pine	Japan
53 <i>Pinus sylvestris</i>	Scotch Pine	Eurasia
54 <i>Platanus x acerifolia</i>	London Plane Tree	United Kindom
55 <i>Prunus autumnali</i>	Flowering Crabapple	Japan
56 <i>Prunus cerasifera</i> cu <i>Atropurpurea</i>	Pissard Plum	Japan
57 <i>Prunus sargentii</i>	Sargents' Cherry	Japan
58 <i>Prunus serotina</i>	Black Cherry	N. America
59 <i>Prunus serrula</i>	White Flowering Cherry	China
60 <i>Prunus serrulata</i> cu <i>Kwanzan</i>	Kwanzan Cherry	Japan
61 <i>Prunus subhirtella</i> cu <i>Pendula</i>	Weeping Higan Cherry	Japan
62 <i>Prunus virginiana</i>	Choke Cherry	N. America
63 <i>Pseudotsuga menziesii</i>	Douglas Fir	N. America
64 <i>Quercus borealis</i>	Red Oak	N. America
65 <i>Quercus palustris</i>	Pin Oak	N. America
66 <i>Quercus velutina</i>	Black Oak	N. America
67 <i>Salix babylonica</i>	Weeping Willow	China
68 <i>Sorbus aucuparia</i>	European Mountain Ash	Europe
69 <i>Taxus cuspidata</i>	Japanese Yew	Japan
70 <i>Thuja occidentalis</i>	White Cedar-Arborvitae	N. America
71 <i>Tilia americana</i>	Large-Leaved Linden	N. America
72 <i>Tilia cordata</i>	Small-Leaved European Linden	Europe
73 <i>Ulmus americana</i>	American Elm	N. America
74 <i>Ulmus glabra</i>	Scotch Elm	Europe
75 <i>Ulmus procera</i>	English Elm	Europe

Commemorative Trees

Tree
Number

Description

RED
584

Class of 1941 Tree
White Fir (*Abies concolor*)
Planted in 1941.
Location: East Side of Wheeler Dorm.

RED
778

John V. Power Tree
Japanese Yew (*Taxus cuspidata*)
Dedicated on June 10, 1978. John V. Power, USMC was a Holy Cross student prior to the war. He was awarded the Medal of Honor for his bravery in WWII. Southside of Hogan Campus Ctr. on Meridian.

685 <i>Pseudotsuga menziesii</i>	Douglas Fir	764 <i>Fraxinus americana</i>	White Ash
686 <i>Picea pungens</i>	Blue Spruce	765 <i>Fraxinus americana</i>	White Ash
687 <i>Picea pungens</i>	Blue Spruce	766 <i>Fraxinus americana</i>	White Ash
688 <i>Picea pungens</i>	Blue Spruce	767 <i>Fraxinus americana</i>	White Ash
689 <i>Aesculus hippocastanum</i>	Horse Chestnut	768 <i>Acer rubrum</i>	Red Maple
690 <i>Cornus kousa</i>	Kousa Dogwood	769 <i>Fraxinus americana</i>	White Ash
691 <i>Cornus kousa</i>	Kousa Dogwood	770 <i>Fraxinus americana</i>	White Ash
692 <i>Cornus kousa</i>	Kousa Dogwood	771 <i>Fraxinus americana</i>	White Ash
693 <i>Cornus kousa</i>	Kousa Dogwood	772 <i>Fraxinus americana</i>	White Ash
694 <i>Ulmus americana</i>	American Elm	773 <i>Fraxinus americana</i>	White Ash
695 <i>Ulmus americana</i>	American Elm	774 <i>Fraxinus americana</i>	White Ash
696 <i>Acer saccharum</i>	Sugar Maple	775 <i>Fraxinus americana</i>	White Ash
697 <i>Acer saccharum</i>	Sugar Maple	776 <i>Fraxinus americana</i>	White Ash
698 <i>Acer saccharum</i>	Sugar Maple	777 <i>Fraxinus americana</i>	White Ash
699 <i>Acer saccharum</i>	Sugar Maple	778 <i>Taxus cuspidata</i>	Japanese Yew
700 <i>Acer saccharum</i>	Sugar Maple		
701 <i>Betula pendula</i>	European White Birch		
702 <i>Betula pendula</i>	European White Birch		
703 <i>Betula pendula</i>	European White Birch		
704 <i>Betula pendula</i>	European White Birch		
705 <i>Betula pendula</i>	European White Birch		
706 <i>Betula pendula</i>	European White Birch		
707 <i>Betula pendula</i>	European White Birch		
708 <i>Betula pendula</i>	European White Birch		
709 <i>Betula pendula</i>	European White Birch		
710 <i>Betula pendula</i>	European White Birch		
711 <i>Betula pendula</i>	European White Birch		
712 <i>Betula pendula</i>	European White Birch		
713 <i>Betula pendula</i>	European White Birch		
714 <i>Betula pendula</i> cu <i>Gracilis</i>	European Weeping Cut-leaf Birch		
715 <i>Betula pendula</i> cu <i>Gracilis</i>	European Weeping Cut-leaf Birch		
716 <i>Betula pendula</i> cu <i>Gracilis</i>	European Weeping Cut-leaf Birch		
717 <i>Betula pendula</i> cu <i>Gracilis</i>	European Weeping Cut-leaf Birch		
718 <i>Betula pendula</i> cu <i>Gracilis</i>	European Weeping Cut-leaf Birch		
719 <i>Betula pendula</i> cu <i>Gracilis</i>	European Weeping Cut-leaf Birch		
720 <i>Betula pendula</i> cu <i>Gracilis</i>	European Weeping Cut-leaf Birch		

This booklet has been funded by a grant from Stanley Smith Horticultural Trust of Dunbar, Scotland.
