The ReSSpect program provides a way for people to identify themselves as an openly supportive ally to LGBTQ students, faculty, and staff and to educate themselves about LGBTQ

ReSSpect is an educational program designed and implemented by ABiGaLe/Allies. We teach listening skills, construct a common vocabulary for discussion of LGBTQ issues, and educate the Holy Cross Campus.

ABiGaLe/Allies

The Association of Bisexuals, Gays, and Lesbians & Allies

ABiGaLe/Allies is a Gay-Straight Alliance dedicated to raising awareness about LGBTQ issues to the Holy Cross community. Hosting annual events such as Rainbow Alliance Week, ABiGaLe/Allies seeks to spread knowledge and understanding about the gay, lesbian, bisexual, transexual, and questioning community at Holy Cross. Holding weekly meetings allows the group to become a close family where we discuss relevant issues, plan for upcoming events (speakers, socials, panels, group outings, etc), and spend time getting to know one another.

ABiGaLe/Allies promotes and facilitates education, discussion, and dialogue about both the culture and the issues faced by gay, lesbian, bisexual, transgender, queer and questioning (GLBTQ) students at Holy Cross; provides a necessary voice on campus, furthering acceptance and awareness of the GLBTQ community at Holy Cross.; sustains an active and supportive community for the GLBTQ students at Holy Cross; and counters homophobic attitudes and behavior and thereby create a safer environment for the GLBTQ community at Holy Cross.
