2018 Student Presenters

Student presenters are listed alphabetically by last name. Table location is determined by the *Career Community* of the internship. Holy Cross students indicate *Career Communities* of interest, to help explore career paths, identify opportunities and cultivate professional relationships that help shape a lifelong career journey. Opportunities in any given *Career Community* are not dependent on major. Students who are not in attendance due to study-abroad/away, athletics or other commitments also have posters on display. One hundred students participated in the EXPO.

Career Communities include:

Arts, Communications & Media (ACM)

Business, Consulting & Finance (BCF)

Education, Human Services & Non-Profit (EHSN)

Government, International Affairs & Law (GIAL)

Health Professions & Life Sciences (HPLS)

Science, Technology & Engineering (STE)
