James M. Beck  
available via fast ILL from Clark University

Wednesday, October 9; 4:30 p.m., Rehm Library

**Stranded Behind Bars: The Failure of Retributive Justice** — Erin Kelly, professor of philosophy at Tufts University and author of "The Limits of Blame: Rethinking Punishment and Responsibility" (Harvard University Press, 2018), explains how retributive justice exaggerates the moral meaning of criminal guilt, normalizes excessive punishment, and distracts from shared responsibility for social injustice.
