## HOLY CROSS POETRY WALK

## YOU AND I

You and I found a world  
(within each other)  
that was deep within ourselves

The colors you leave in my heart (yours)  
are not found in any spectrum  
-bright hues of beauty  
lovely shades of kindness  
a deep, warm field of love

Time (in a rare moment of kindness)  
has given us a wonderful future of  
uncountable presents  
-moments together that make  
eons seem like seconds

I bet there's a place  
where the stars are always shining  
and flowers bloom forever

Let's take a walk  
and find it together
