A New Way of Being Church: The Latin American Roots of Pope Francis Reforms — Rafael Luciani, a leading Latin American theologian and associate professor of the practice at the Boston College School of Theology and Ministry, will discuss Pope Francis's Latin American theological vision. Just returned from Synod on the Amazon, he also will report on how the Church moves forward in an economically and environmentally fragile part of the world. The Venezuelan native is author of "Francis and the Theology of the People" (Orbis, 2017), winner of a 2018 Catholic Press Association Book Award.
