Welcome to the Holy Cross Campus Poetry Walk. This temporary designated walking route through parts of our beautiful grounds highlights original poetry by members of the Holy Cross campus community, including students, staff and faculty.

Approximate length:  
1 mile

A digital version of the Poetry Walk is available for anyone wishing to enjoy this event virtually. Link:

An extension of this walk can be found along a nature trail in an undeveloped part of campus. It features student poems published in the 1922 edition of The Purple. A complete run of this publication is held in the College's Archives & Distinctive Collections.
