My Dear Pet:-

That promised long letter of mine
must be further postponed - so
busy you know. I write this little
makeshift simply to say that
Mamma and myself are so
so much pleased at the tone
of self-denial evinced by you
in your last note to me, that
instead of waiting until the mid-
dle of April to see you, she intends
to call upon you next Thursday,
if the weather is tolerable.

Papa.
