QUE REGIO IN TERRIS NOSTRI NON PLENA LABORIS?

OFFICES: 25 & 27 CHATHAM STREET,
(CITY HALL SQUARE.)

New York, July 11th, 1873.

General G. R. Quincy.

Dear Sir.

I have to thank you for the photograph and sketch which have just reached me through Mr. James, the Boston correspondent of the Irish World.

The note which left this of a fine to you, bearing yesterday's date, will, of course, now count for nothing.

Sincerely, there is no other man whose portrait I had rather give in the cluster round Sheridan than yours. Indeed I have postponed all the portraits until the ~~next~~ issue after next on your account.

If at any time you should chance to come this way, and do me the honor to call on me, at 104 Willoughby St., Brooklyn, I shall do my best to ~~re-~~ceive you as a gentleman, a soldier, and a scholar, and a true representative of "Magnificent Tipperary" should be received.

Very truly yours,
Patrick Ford.
