Lincoln's Tomb

ANOTHER LAND MARK THAT IS A MUST FOR THE VISITORS IN SPRINGFIELD IS THE TOMB OF LINCOLN. THIS YEAR THE ANNUAL REUNION'S MEMORIAL SERVICE WILL BE HELD AT THIS LOCATION.

Transportation to Springfield

Getting to the 1971 Reunion will be no problem for members of the Association. Springfield is serviced by all types of transportation. Both Greyhound and Trailways have direct service to Springfield and the Illinois Central and the G.M.&O are available for those who prefer to travel by rail.

AIR LINES

Ozark Airlines provides direct service to Springfield from Chicago, St. Louis, New York, Washington D.C. and Dallas/Ft. Worth. Many smaller cities in the Midwest also have direct service to the Capitol of Illinois. Other flights and members can save about 25-1/3% on a round trip fare. Members desiring to form a group should contact Ozark Airlines at their home airport. Getting to the Reunion will be no problem for members of the Association. Springfield is serviced by all types of transportation._both Greyhound and Trailways have direct service to Springfield and the Illinois Central and the G.M.&O are available for those who prefer to travel by rail.

BY CAR

For those who will like to do their own driving getting to Springfield should be easy. U.S. Highways 66, 54, 36, 29 and Interstate 55 all pass through Springfield. Members living in the north and east can make the entire trip on super-highways that lead to the Land of Lincoln. The Holiday Inn is located along Interstate 55 and is a short distance from the turn-off at Stevenson Drive. If you own a boat and are adventurous you can reach Springfield by sailing up the Sangamon River from the Mississippi. Abe Lincoln did it back in the 1800's. It really doesn't matter how you travel, just as long as you get there.

"Old Reliable" College Prexy

Once again a former Ninth Division man has achieved a high position in his chosen profession. Dr. Heller, a long time active member of the Illinois Chapter, has been chosen to serve as the FIRST President of the Chicago Loop College. Dave was inducted into office on October 16, 1970. The inauguration ceremonies were held in the Rockefeller Chapel on the campus of the University of Chicago. Some of the president's friends at the inauguration were Dave's from the Ninth Division. John Clouser, Bud Remer, Paul Clark, Roger Euras and Frank Ozark were on hand when Dave assumed the Presidency of the Chicago Loop College. For many years Dave has served on the Ninth Infantry Division Association's Scholarship Committee. His untiring efforts on behalf of this worthwhile activity have helped to make it a great success. In 1963 Dave served as Chairman of the wonderful reunion that was held in Springfield, Ill. Many of our members will remember the moving Memorial Service that he conducted at Lincoln's Tomb. The following quotes were taken from the biography which appeared in the inauguration program.

Dr. David H. Heller is the President of the Chicago Loop College, located at 64 East Loop College is a public comprehensive community junior college located at 64 East Lake Street and currently enrolling some 8000 full-time and part-time students.

He has been a member of the City Club of Chicago since 1949 and is currently serving as its President.

Dr. Heller served with the Ninth Infantry Division and was awarded the Silver Star for gallantry in action, as well as several other decorations.

In 1952 Dr. Heller joined the faculty of Chicago Teachers College, where he became chairman of the department of biological sciences in 1955. He became Assistant Dean of the College in 1956 was instrumental in the rapid development of that campus, which graduated over 500 teachers, most of whom are now teaching in west side Chicago Public Schools. The Board of Trustees of Bachelor's and Freshman Division No. 598 appointed him as Dean of the Loop College in 1963 and in 1963 promoted him to the presidency on the recommendation of students and faculty, and the Chancellor of the City Colleges of Chicago. Dr. Heller is co-author, with William C. Kemrock, of the college text, ON YOUR OWN IN COLLEGE, published by Charles E. Merrill, Inc., now in its second edition. He is the author of a number of articles and reviews which appeared in professional journals. He is listed in AMERICAN MEN OF SCIENCE and WHO'S WHO IN THE MIDWEST. He lives in Highland Park with his wife and three daughters.

He has been a member of the City Club of Chicago since 1949 and is currently serving as its President.

The Association is very proud of Dave's achievements and we all wish him the best luck in his new position.
Michigan Doings

This past year has been a very successful one for the Michigan Chapter. New members have been signed up for the Chapter's meeting and social events have been well attended. The General Motors strike and the severe cold weather that has affected Michigan hasn't had any effect on the Chapter's activities.

CHRISTMAS PARTY

On December 20th the Chapter held its Christmas party at Bob Delaney's home. Several weather conditions provided the sight of the party but that didn't deter the members of the Michigan Chapter, some of them from over 190 miles to attend the Christmas party. Among the members attending were Bob and Betty Reynolds, Larry Wagner, Bill and Barbara Meadows, Bill Phillips, John and Rose Bonkowski, Jim and Audrey Bruner, Tom and Genie Hatton, Don and Helen Lewis, Eugene and Phyllis Ready, Fred and Jane Joye, John and Jane Young and Maurice and Viola Mitchell.

In 1942 the Army didn't beat around the bush when it had something to say, it said it in plain language. Here are a few notices that appeared on Co. F's bulletin board in those days:

Aug. 15, 1942

"There will be no gambling between N.C.O.'s and Pvt. ranks. Sale of liquor will be taken to anyone caught, think before stuffing the deck or cutting the dice, this is the 1st and last warning."

Sept. 17, 1942

"Men going on sick call for treatment which keeps them from demonstrations and other drills - need not apply for weekend passes" Staying in and Rest Up 1st Sgt. Alton B. Ivey

This summer, while going through his old memorabilia John Rizzo came across some pictures that will be of interest to former members of E and F Companies. The pictures were taken during the Regiment's stay in England 1942 and brought back many memories to this Editor of the "Octofoil". It was taken during the Regiment's stay in England and shows Jimmy Cagney going with members of E and F Companies. According to John Bonkowski the weather was so bad that everyone had a perfect excuse for staying at home, but the “Old Reliables” were made of stern stuff and don’t let a little thing like bad weather keep them away from a good party.

FUTURE EVENTS

The Chapter’s next meeting will be held in February. It’s an important meeting because elections are scheduled to be held at the February meeting. During the E.T.O. tour Elmer Wagner took many pictures and he will show some of his photos at the meeting on the 22nd. The 1971 Reunion will be held in the Michigan Chapter’s hotel in the Detroit area and said hello to the members of the Ninth Division Association.

The road to Cherbourg was terrible. The German defenses were smothered. The road was a sea of mud. It seemed as if the Germans had nothing to lose, and Hitler's "Nemesis," nicknamed for that reason, was itself the "Avengeing Host of the Germans." We continued, though, as was said of the French: "No wonder the French have a reputation for fighting."

Chapter 19

ON TO CHERBOURG

When the 9th came upon a small town, about the size of a village, we slowed our advance because of heavy resistance by the enemy. The town was occupied by enemy infantry, who were holding the ground by our artillery. The enemy made a determined attack and a practical procedure that seemed to be the Germans. The French were not able to take the town in any one of the attacks they made. The only real advantage that the French had was the superiority of their machine guns over our own.

At least one mortar section, however, had been either captured by the German forces or had opened fire. One of the German battalions fired a couple of rounds and the French returned fire. Later, the French made a determined attack and broke through the enemy position. The French then occupied the town and pushed the enemy out of the town. The battle was over, and the 9th Infantry Division was able to advance on to Cherbourg.

The 50th Division had then taken over the town of Cherbourg, and the 9th Infantry Division was able to move on to the next phase of the invasion. The division was relieved, and the 9th Infantry Division took over the town of Cherbourg, followed by the 9th Infantry Division.

After the meeting adjourned our hosts Ralph Winkin and Jack Scully extended invitations to the refreshments for the evening.

XMAS PARTY

Ralph Winkin, chairman of the Xmas Party and his assistant Jack Scully and former Xmas committee member, Fazio arranged 'an excellent Xmas party for the women and children at the Union City Elks Club on December 13, 1970.

In the kitchen under the supervision of Jack Scully was Vincent Guglielmino, a 'very cheery' individual who prepared the Prime Rib. Larry Fazio also was 'on duty' in the kitchen and served the frankfurters, sandwiches, oaks, coffee and soda to the audience.

In the spacious room was a beautiful Christmas Tree with electric lights and a stump that was covered with gifts. The guests were enjoying bowing and in a short time adults were watching the football game between the New York Giants and the St. Louis Cardinals. In addition, Mr. and Mrs. Vincent Guglielmino's talented daughter, Francine, supplied the audience with a wonderful voice.

Then came the announcement that Santa Claus was on the way. With a cheerful smile Santa (Jack Scully) entered the room loaded with toys for the audience. Boys and girls were seated in the audience and with the participation of Capital Camp personnel, games, dolls, and toys were distributed.

To make the afternoon a happy one for all, Mr. and Mrs. Jack Apo was at the Christmas Party. We were all happy and we did not mind it was so early.

The OCTOFOIL

The OCTOFOIL, the 9th Division, newspaper, is an interesting paper to read. Included in the JULY APO 1970 OCTOFOIL issue were two pages of pictures of the SILVER ANNIVERSARY REUNION and the EUROPEAN tour, and the going-away party for the division. A very similar article by ARTHUR SCHMIDT writer's SILVER ANNIVERSARY issue included in the OCTOFOIL, our division newspaper, was the story of Jack Scully, the one who is in charge of Division Artillery.

The OCTOFOIL issue included the following:

100. The OCTOFOIL
This month our mail-bags were stuffed to over-flowing. Besides our usual heavy load of correspondence we also received holiday greetings from many of our members. It is almost impossible to reply personally to all the people who sent us greetings so we are taking this opportunity to wish you all good health and good luck during the New Year. Keep the letter coming; we are always glad to hear from our members. The following letters were in our mail-bags this month.

Dear Dan,

However, I was unable to attend the Ninth Infantry Division Memorial Mass held recently in my own city of Baltimore. I know that if I did attend, I would have been looking forward to attending but other urgent business in my local Union kept me away, either yourself or Mrs. Quinn, would start me on my dags. A British Destroyer which carried the action I suffered a broken ankle.

Ed is looking for a 9th Division Patch, perhaps one of our members might have an extra one that they could send along to Ed.

Gordon Taylor

Dear Dan,

Last November after the Annapolis meeting, Father Jerry Kowen was chatting with some of the gang. During the conversation he told them about the Little Sisters of the Poor who operate St. Joseph’s Home in El Dorado, Kansas. In that part of the country sudden storms often disrupt the electrical service and the home blackout is plunged in darkness. The Sisters at St. Joseph’s were interested in an emergency lighting system that would illuminate stairs and hallways whenever the regular 81 lighting system was disrupted. Many of the fellows must have been impressed by Father Jerry’s description of the wonderful work that the Sisters were doing because they sent donations to the home.

Apparently they sent the donations in the name of the Association but we have received a letter from Sister Mary Magdalena, Supr. of the Sisters at St. Joseph’s Home at 936 N. Toposa Ave., McLean, Kansas in which her requested that we pass along the word for Bill we hope that he will tell his family that Bill Quincy, formerly with the 9th Infantry, passed away last September. We’ve also received word from Mrs. Quinty, formerly with the 47th Infantry, passed on last Spring. Bill was living in Perry, Illinois at the time.

Joe Lynch

Mr. Lynch must have found the mail-bag full of letters. He mentioned that he was on a trip to the E.T.O. in November where he attended the Monument Service at W gccot and we learn that he is visiting the Air Force Academy in Colorado.

We received a beautiful card from Mrs. Lynch and she informed us that she was spending the Christmas holidays with her mother and father and her family.

Waldo Kraft’s get out a Christmas Greeting that contains a color photograph which shows some of the activities that the ladies enjoyed during the last year. It is mentioned that David and Pam were married at St. Joseph’s Church in Pittsburgh. Waldo and Pam graduated from Gonzaga University and is teaching kindergarten in Anchorage, Alaska. They plan on visiting San Diego and Audrey continues to enjoy her housework.

Last summer the family enjoyed a wonderful time in Kodiak. Tessa climbed mountains in the sand, Keri fished and collected shells, and Jennifer spent the summer days at the pool. Waldo sent his little picture which contained pictures of all the events of his first three activities.

The letter also contained the welcomed news that Waldo is much improved in health and spirits.

Dear Dan,

Taps Sounded

McKenzie Editor

One of our most reliable reporters is Joe McKenzie. He covers the New England best league hockey scenes. Whenever something happens to the nearest Division it is the first one to know about it and to bring it to the attention of the “OFTOO”.

Joe McKenzie is a justice mathematic major and is a member of the Cross and Scroll Society and the Honors Program. Upon assuming his post he stated that “The Crusader” would assure he report all major campus events but would avoid becoming too provincial by covering events at other campuses and in Worcester. Judging by the brief meeting of the gang that we feel sure that The Crusader is in good hands. Good luck for we hope you meet all your deadlines.

T.D.’S GET-TOGETHER

T.D.’s have been having their own reunions for many years. William Savage informs us that last July Ron Co. and Co. had a reunion at Dubuque, Iowa. About 70 fellows were there and they had a real blast.

As in 1971 Bill and his wife will be host for the reunion and they intend to do it on the Holiday Inn in either Bay City or Saginaw. We have been requested that we pass along the word for Bill may be interested in attending. We are hoping to have information by writing Bill at St. Francis Xaviers, 48603.
