VISIT CANADA WHILE IN DETROIT

We estimate that $15,000.00 is needed to purchase and restore this four room home that was occupied by the Bradley family while the General attended Higbee schools early in this century. The World War II hero was born east of our community, moving into this home for some years before going on tomobly, where he attended high school and was accepted for admission to West Point.

If your organization or any of its members are interested in helping us preserve this only standing residence directly linked to General Bradley, please contact me by calling (810) 484-7272. This is to be a part of our bicentennial observance. As to the beginning of what appears to be a growing sentiment to honor the "G.I. General".

Our small community cannot afford this project due to its very limited funds. Any assistance received will be greatly appreciated and appropriately acknowledged. Sincerely, L.C. Bankhead, Jr., Mayor Municipal Offices Higbee, Missouri 63370

75 REUNION JULY 24-26

For those who have never seen it, Greenfield Village and Henry Ford Museum is a must in neighboring Dearborn. It is the area's greatest tourist attraction. Greenfield Village is on a 380 acre site with the world's greatest collection of Americana. Adjacent to it is the Ford Museum covering 14 acres. Summertime always brings special events. An old time summer festival is in progress all summer long as well as an exhibition on the circus. A special exhibit during July will be "Industrial Heritage, USA" in commemoration of the American Bicentennial. Then it will be shown in every state in the Union.

For your evening pleasure, Detroit and its suburbs have numerous fine restaurants and nightclubs. If you wish you can have an exciting evening on the town with a night club tour.
Sends the last call was answered by several "old reliable". May they rest in peace. We extend our deepest sympathy to their loved ones.

Robert Delandy Chairman of the Michigan Reunion briefed the members on the Reunion to be held in Detroit on July 24-26. All details have been finalized and a report will be made through the Octofoil regarding speakers, events etc. The Michigan Chapter members are awaiting the news of the Ninth and their families and friends.

Upon a motion duly made by Charles Jones and seconded by Charles Jones it was voted to:

Accept the Reunion report.

SCHOLARSHIP

John Clover Chairman of the Scholarship Committee reported that the Committee had received eleven applications and this was the first year they were unable to accommodate all of the young women and men who had applied. Six applicants, four new and two renewals were all they could assist because of lack of funds in the Memorial Fund. The Committee will notify those recipients by mail and their names will be announced at the reunion in Detroit. Starting in 1961 the sum of $20,629.00 has been granted by the Association.

Upon a motion duly made by Walter O'Keeffe and seconded by Robert Delandy it was voted to:

Accept the report and recommendations of the Scholarship Committee.

President Wilson thanked Clovers and his Committee for their efforts.

The menbers discussed the Ladies Auxiliary of the Association and it was agreed that the National Secretary refund to the Auxiliary any commission due to the Chapters, whenever possible.

Oscar Richards made a motion but because it lacked a second vote it was spoken of the possibility of opening the membership of the association to all those who were the "outlaws in the past or present.

Walter O'Keeffe reported that the 1976 Reunion would be held in New York City, and would be at the Statler-Hilton Hotel on July 22-24.

John Closer briefed the members on the feasibility of holding a reunion, in a place such as Las Vegas, in some future year.

Bill Hennessy spoke for the Illinois Chapter that they were interested in holding the 1977 reunion in Chicago.

Walter O'Keeffe made a motion to close the meeting and this was seconded by Robert Delandy: The meeting was adjourned at 6:30 P.M.

Respectfully submitted Daniel Quinn National Secretary

The colonial entrance to the Henry Ford Museum is an exact copy of Independence Hall in Philadelphia, "birthplace of American democracy.”

Landmarks of American history are collected at Detroit’s GREENFIELD VILLAGE, founded by Henry Ford, and now the world’s greatest collection of Americans.

You may browse through actual houses, shops, schools and public buildings, where history has been written. They have been moved bodily to this 30-acre site from all parts of the U.S., and from some foreign countries, and restored to their original appearance.

In the adjacent 14-acre Henry Ford Museum are spread out the fully stocked shops, the tools and machines, the furniture and household implements which make up the way of life at our fathers and grandfathers.

We were sorry to hear that Al White had suffered a heart attack and was hospitalized at East Tawas. We hope that he is on the road to recovery.

Harry O's Birthday: April 10 to April 13 Weekend at "The Ponch" just like last year. Did I tell you how much fun we had last year? Most of the members are coming to attend this year's event with the possible exception of some of the officers. Bill and Barbara Meadows, Dave Dave, John Clouser, and Jack Resnik will be at the event. The Detroit Reunion Committee has the event well planned and we are looking forward to seeing all of our friends again.

During the day the 2d Bn had pulled up to an area near GRESSENICH, moved to ZWEPPEL, then across to KREWINKEL, finally F Co in the lead. Having captured many PW's in all of these areas they found some had been captured. Razzouks were used on each one but had little effect. The enemy would fire on the left platoon, seemingly to attract attention and distract men from the other flank. Twenty-eight Razzouks were used on the day, 22 of them from one box. The ground captured was taken up sending it in. We are sure looking forward to see all the old gang there.

This is the time of the year when everyone gets around to sending in their dues, as the Secretary isแนًا with all mail. I don’t get around much anymore because of heart condition, so news of members of Co D would be welcome. In the next year or so, I hope to make the trip again to Detroit, to make sure that I get my copies of the Octofoil.

One of the interesting things about the “Octofoil” has been its continual circulation. I’m sure they are typical of every base of which I am very articulate. He headquarters, of course, at the Pentagon.

We are leaving here by Southern Airways July 24th at 2:35 p.m. and will arrive in Detroit at 6:20 p.m. If there is another “Octofoil” between now and then I would be grateful if you would mail me a copy.

This is the time of the year when everyone gets around to sending in their dues, as the Secretary isแนًا with all mail. I don’t get around much anymore because of heart condition, so news of members of Co D would be welcome. In the next year or so, I hope to make the trip again to Detroit, to make sure that I get my copies of the Octofoil.
