Than To Give His Life.....

we dedicate this volume in a special act of devotion to our beloved Dean of Studies, Father Francis J. Dolan, and our esteemed Dean of Discipline, Father John J. Reed.

# FOREWORD

Sentimental Mortals! Half our happiness is in our memories. Perhaps that's why this testament of school and sport and spirit will grow greater, come treasured more, when our years lengthen. Safe to say, that more than once the covers of this book will be turned, its pages thumbed again and again, and a voice within us sigh: "It has been good."
