P.S. Have
 not forgotten how
 to cut oranges? We are
 well and happy as usual.
 Mamma sends awful-
 ly about my smoking
 too much - do you
 sympathize with her
 or with poor me?
 A & East Brookline st.
 Boston, July 26/77

My dear Lulu -

2d P.S. This is a business note or veris
 presumption so that the style need not
 be elegant or fashionable. Bad sample - eh?

I have ordered sent to your
 address a small package of
 fresh Florida oranges just
 off the trees. If they are not de-
 livered promptly tomorrow, send
 for them to Express office.

Doctor P. R. Quincy prescribes
 two oranges before breakfast or
 just after, for the next twelve
 days - I mean the juice, of course,
 not pulp or skin. Please do not
 give them away - I really intend
 them as medicine for you.
 Papa.
